Damage was estimated at \$80 when a truck overturned on the Arendtsville-Cashtown Rd. two miles west of Arendtsville at 10 o'clock Friday morning.

State police said Arthur Guy Diffenderfer, 45, Chambersburg, was driving his truck up a hill on the road when the engine of the truck stopped near the top. Diffenderfer sought to restart the engine, and while he was attempting to start the vehicle, the air escaped from the truck's air tank, releasing the brakes.

The truck began to roll backwards down the hill. In an attempt to stop the vehicle, Diffenderfer swerved the truck into an embankment off the right side of the road and the vehicle turned over on its side.

\$1,900 CRASH

Diffenderfer suffered a bruised right leg but did not immediately seek medical treatment.

Details were available today on an auto accident occurring Thursday evening on the Lincoln Highway near Seven Stars. State police said Melvin Kolb, 36, Lancaster, was headed west on the Lincoln Highway followed by a car operated by Ralph Carey, 47, Gettysburg R. 3. At the same time John Calvin Kunkel Jr., 18, Biglerville R. 2, was driving east.

Kolb, police said, made a left turn into a road off the Lincoln Highway in the path of the Kunkel car. The Kunkel auto struck the Kolb vehicle, and the impact swerved the Kunkel car into the path of the Carey vehicle. Damage was estimated at \$500 to Kolb's auto; \$900 to Kunkel's and \$500 to the Carey auto.

LBJ, Goldwater Agreed Racial Tensions Should Be Avoided In Campaign

By WALTER R. MEARS
WASHINGTON (AP) — President Johnson has declared the civil rights issue will be on his agenda in the campaign ahead, but agreed with Republican presidential nominee Barry Goldwater "that racial tensions should be avoided" as they battle for the White House.

The Arizona senator and the President he hopes to oust sat down together for 16 minutes Friday night to talk about civil rights and the campaign. They touched on some other subjects as well, it was learned.

Johnson had his say in advance, at a nationally televised news conference. He invited Goldwater, his advisers and followers to take what he said will be the Democratic party's course—"rebuffing and rebuking bigots and those who seek to excite and exploit tensions."

"INFLATING OF TROUBLE"
Goldwater said Thursday night he would seek with Johnson to chart a course aimed at avoiding "any inflating of trouble" over civil rights.

The only public result of the Johnson-Goldwater talk? A brief statement read to newsmen by White House Press Secretary George Reedy. A Goldwater spokesman said the senator had approved it in advance.

"The president met with Sen. Goldwater and reviewed the steps he had taken to avoid the incitement of racial tensions," Reedy said. "Sen. Goldwater expressed his position, which was that racial tensions should be avoided. Both agreed on this position."

NEWS CONFERENCE
Sources close to Goldwater said the senator thought the meeting "was worth it. He said what he had on his mind."

Earlier, Johnson used a news conference to answer Goldwa- (Continued On Page 3)

At Gettysburg Junior High School Jerry ranks in the top tenth of his class. His grades have consistently been in the A class and he achieved a perfect attendance record last year. At school he plays in the band and the orchestra, in which he plays the sousaphone and finds time to participate in dramatics. He has received certificates for his work in dramatics and for his service on the elementary school safety patrol.

Jerry enjoys all sports, particularly football, basketball and swimming and he includes coin and stamp collecting among his numerous activities.

He holds the rank of Star Scout in the Boy Scouts and has been awarded merit badges in camping, cooking, swimming, life saving, first aid, scholarship and home repair. He has assisted in the Red Cross swimming instruction program and presently serves as senior patrol leader in Troop 78.

In addition to his other activities, Jerry is often called upon in school to serve as a guide for incoming students, to act as an assembly leader and to serve as a public speaker.

REGISTRATION PLANS READY FOR 3 FAIRS

The Adams County commissioners Friday outlined further plans for the experiment in pre-election registration of voters to be carried out at the Adams County Fair, the Kingsdale Firemen's Festival and the South Mountain Fair.

Never before have registrars sat at fairs in Adams County. The commissioners decided by a 2 to 0 vote to conduct an experiment this year to determine whether seeking registrations at fairs will "pay off" in increased numbers of registrations.

Traveling registrars will sit at 14 places in the county over a three-week period beginning Monday at Biglerville fire hall, as they have in the past.

WITHOUT COST
In addition registrars will be at the Adams County Fair and at the Kingsdale Firemen's Festival on the nights of August 27, 28 and 29 and at the South Mountain Fairgrounds September 10, 11 and 12.

Because the registration at the fairs is an experiment it will be conducted without cost to the county, according to present plans.

Democratic Commissioners Atlee Rebert and Harrison Fair, who voted for the fair registration after the idea was presented by Democratic Chairman Fred G. Klunk, held that the registration, since it was strictly an experiment and no one knows how effective it will be, should be conducted on a volunteer basis.

6 TO MIDNIGHT
Republican Commissioner G. Edwin Motter and Republican County Chairman Clark Spence said the Republicans will match "whatever the Democrats do" in providing volunteer registrars to sit at the fairs, and thus the work will be conducted by volunteer help.

Because the law provided that registrars must sit for at least six hours at any one spot, the hours of 6 to midnight were chosen for the registration at the fairs. Because the law also provides that registrars may not sit for more than three days consecutively in any one place, the Thursdays, Fridays and Saturdays of the fairs were selected as the times for the registration at them.

The regular traveling registrars will sit at the 14 towns in the community from 3 in the afternoon to 10 o'clock in the evening each day, starting Monday at Biglerville fire hall. Tuesday, they will be at Hunters-town election house; Wednesday at the York Springs fire hall; Thursday at Fairfield fire hall and Friday at Littlestown fire hall.

The next week, August 3 to 7, the towns at which the registrars will sit will be: East Berlin, Midway, Cashtown, Barlow and New Oxford. August 10 they will be at McSherrytown, and August 12, Benderville.

Lancaster Youth, 19, Is Killed In Truck Crash At Zora Friday Afternoon

John H. Kramer, 19-year-old Lancaster truck driver, died at the Warner Hospital here Friday afternoon at about 2 o'clock of severe injuries to the brain 51 minutes after his truck and another truck had collided at the Zora intersection.

The county coroner, Dr. C. G. Crist, said death occurred after Kramer arrived at the hospital here in the Emmitsburg ambulance from the scene of the accident. While the impact had damaged the brain there was no skull fracture, the coroner said.

Two other men were injured in the accident, Noah Danner, Uniontown, driver of the other truck involved, who suffered an injury to his right ankle and multiple contusions of the face and lower extremities, and Frank W. Phenagar, 66, Strasburg R. 1, who had contusions and abrasions of the face and head, several fractured ribs and a black eye. Phenagar was a passenger in the truck operated by Kramer. Both were treated at the hospital here, then discharged.

HIT BY OTHER TRUCK
According to state police, Kramer was driving a truck owned by D. J. Park Inc., Lebanon, from Fairfield to the intersection of Routes 116 and 16.

Police said Kramer entered Route 16 from 116 into the path of a westbound snub-nosed truck operated by Danner and owned by Eric Glass, Emmitsburg R. 2, which was headed from Emmitsburg westward on the Sunshine Trail.

The truck operated by Danner crashed into the Kramer-operated truck and the two vehicles came to rest on the south side of the highway, with the Kramer-driven vehicle nearly off the highway.

FIRE BREAKS OUT
Damage was estimated at \$3,500 to the Kramer truck and \$2,500 to the Danner vehicle.

Fire broke out behind the seat in the cab of the Kramer truck and the Fairfield Fire Company was summoned to put out the blaze.

Residents of the area phoned for the Emmitsburg ambulance. Police not knowing Emmitsburg had been called, radioed for the Gettysburg ambulance.

Kramer was a college student working on a summer job as a truck driver. He was the son of Mr. and Mrs. John F. Kramer, 1641 Glen Rd., Lancaster. The funeral services have been set for Monday from the Groat, Inc., Funeral Home, Lancaster. Interment will be in the Millersville Mennonite Cemetery.

HOPE TO KEEP CIVIL RIGHTS IN CAMPAIGN

By ED McCUSKER
VICKSBURG, Miss. (AP)—Three national Negro leaders say they hope Friday's meeting between President Johnson and Sen. Barry Goldwater, R-Ariz., won't result in an agreement to keep the civil rights issue out of the presidential campaign.

Goldwater is the Republican presidential nominee.

The three leaders—the Rev. Dr. Martin Luther King, James Farmer of the Congress of Racial Equality, and John Lewis of the Student Non-Violent Coordinating Committee—are in Mississippi to boost the predominantly Negro Freedom Democratic party.

"A REAL TRAGEDY"

"It would be a real tragedy if the civil rights issue is kept out of the campaign," said King.

All three said they considered Goldwater "an unacceptable candidate."

"It is utterly impossible to keep civil rights out of the campaign," said Farmer. He said he favored the meeting between the President and Goldwater because he hoped the presidential race "doesn't develop into a mul-slinging campaign."

Lewis said he felt the civil rights issue should go before the voters.

The trio held a news conference after a five-hour strategy session at Tougaloo College near Jackson on the Freedom Democratic party.

The Freedom Democrats hope to unseat the regular, all-white state delegation at next month's Democratic National Convention, which opens Aug. 24 at Atlantic City, N.J.

Cold Front Heads East For Weekend

By THE ASSOCIATED PRESS

A big bundle of cold air edged eastward from the Central Plains today, bringing promise of a cooler weekend for much of the nation.

The cold front, which stretched from the Great Lakes area to the southern Rocky Mountains, replaced warm air along its path with cooler temperatures and less sticky conditions.

The Weather Bureau said that Chicago, which has sweltered in 90-degree heat for five straight days, would have a mild weekend. Continued warm to hot conditions were expected, however, in the South.

LUCI JOHNSON SHARES STAGE WITH CLIBURN

By ED MARKAITY
NIERLOCHEN, Mich. (AP)—The President's teen-age daughter, Luci Baines Johnson, won a legion of new friends and sparked in her performance with pianist Van Cliburn in a National Music Camp concert Thursday night.

Expressing glee of mock fright, President Johnson's 17-year-old daughter narrated "Peter and the Wolf," a symphonic fairy tale, while Cliburn conducted the 150-member Youth Symphony Orchestra.

CROWD CHEERS

A capacity crowd of 3,607 persons cheered Miss Johnson's two curtain calls at Kresge Assembly Hall.

"I just want you to know," Luci told the audience, "that this is the most unique experience I have ever had, because in this camp I have found young people my own age who have so much more talent than I could ever dream of."

She made her debut as a narrator at the invitation of Cliburn, a fellow Texan and longtime acquaintance of the Johnson family. She had only three rehearsals with the orchestra on the work by Sergei Prokofiev since arriving Tuesday.

CRITIC APPROVAL

But her animated recitation prompted Roger Dettmer, the Chicago's American music-theater critic, to write: "If her father is half the politician he's reported to be, he'll have Luci Baines on the campaign trail as soon as she arrives back home."

Earlier, she received a telegram from the White House that said three of her fans would be thinking of her at performance time. It was signed, "Mother, Daddy and Lynda."

Proceeds from the concert go for scholarships to the camp, attended this year by some 1,500 students from most of the 50 states and several foreign countries.

Rochester

(Continued From Page 1)
The riot was touched off in a Negro section near downtown Rochester shortly before midnight Friday when two policemen attempted to arrest a young Negro on a charge of public intoxication. Four or five young Negroes attacked the policemen.

Word of the incident reached hundreds of other teen-age Negroes at a street dance nearby. The youths swarmed around the police. Fights broke out.

The two policemen called for assistance and about 15 patrol cars sped to the scene.

SMASH WINDOWS

The battle spread quickly. Police were withdrawn a few minutes later from the riot scene. They blocked off the area with ropes and patrol cars.

The mobs smashed windows in dozens of stores. Looters carried off television sets, furniture, household appliances and liquor, witnesses said.

Many of the looters cut themselves while breaking windows. Their blood sprinkled the sidewalks.

A radio newsmen, Howard Gates of WBBF, Rochester, mingled with Negroes and reported one of them described the situation as "dynamite that had to explode."

That health services be included as part of the staff manual when that work is revised.

Principal's note: In the 1953-54 handbook of the Gettysburg Senior High School, there is a section on procedures for students to follow when they become ill. This information will be included in successive handbooks. (Re:1)

POVERTY BILL MAKES SENATE BY 2-1 MARGIN

By JOHN CHADWICK

WASHINGTON (AP)—President Johnson's bill to carry out his war on poverty has won Senate approval by nearly a 2-1 margin.

The battleground now shifts to the House, where the Rules Committee is expected to vote early next week on a similar proposal to be considered the following week.

The measure had come under heavy attack from Sen. Barry Goldwater of Arizona, the Republican presidential nominee, as a "hodgepodge of programs treating only the results, not the causes, of poverty."

MINORITY REPORT

"It seems designed to achieve the single objective of securing votes," he said in a minority report on the bill.

Although Goldwater did not enter into the two days of Senate debate on the measure, a majority of the 33 Republican senators joined him in voting against it.

On the 62-33 roll call Thursday night that sent the bill to the House, 52 Democrats voted for and 11 against passage. The Republican line-up was 10 for and 22 against. Sen. Peter H. Dominick, R-Colo., the only absent GOP member, was announced as against passage.

SOUTHERN DEMOCRATS

Southern Democrats split about evenly. Before the \$947.5 million bill was passed, two states rights amendments were adopted giving governors a veto over establishment of some of the proposed projects in their states.

A third, which would have let governors veto aid for community action programs, was defeated by a single vote.

Sen. Frank J. Lausche, D-Ohio, also won adoption of an amendment shaving \$15 million off the total originally authorized for the first year. This was cut from \$50 million proposed for loans and grants to combat poverty in rural areas.

But the many-sided bill emerged from the Senate substantially intact.

JOB CORPS

The bill would authorize \$412.5 million for programs designed to increase the education, training and work experience of young men and women. Included is a provision for establishment of a job corps in which youths in the 16-21-year age bracket could enroll and be assigned to conservation camps or resident training centers.

Authority also is provided for the government to finance part-time employment for college students and for youths who want to complete their secondary schooling or take vocational training.

Another major part of the measure would authorize appropriation of \$315 million to pay up to 90 per cent of the cost of financial antipoverty programs carried out at the community level.

First place winners in the 4-H Agricultural judging contests at Biglerville Thursday are shown above, first row, left to right: John Matthews, M.J. Joy, first in junior division, entomology; Carol Rex, Upper Adams, senior vegetable division; Donald Reinecker, York Springs, junior flowers division; second row, John Loft, Upper Adams junior vegetable division; Paul Middour, York Springs, senior, entomology; John Bowman, New Oxford, senior flower division.

Ben Sevel, Scout Leader, York, Dies

Bernard (Ben) Sevel, 65, 25 S. Yale St., York, died Friday night at 7:05 o'clock at Memorial Osteopathic Hospital in York.

Mr. Sevel was president of York-Adams Area council, Boy Scouts, a member of the national Jewish committee on Scout-ism, and a representative on the national council. He also held the Silver Beaver award.

He also belonged to Temple Beth Israel, B'Nai Brith Lodge 1157, Jewish Community Center, Crispus Attucks Association, the Historical Society of York County, Goodwill Fire Company and Victory Fire Company.

Mr. Sevel was a retired lumber dealer with Miller Lumber and Coal Company, formerly of York.

Surviving in addition to his wife, Rachael Miller Sevel, are his mother, Mrs. Sarah Sevel, York; three daughters, Mrs. Daniel Blank, York; Mrs. Richard M. Rende, Glen Mills, Pa.; and Mrs. Sidney M. Kneel, New Platz, N.Y., and three grandchildren.

Rabbi Eli L. Cooper, of Temple Beth Israel, will officiate at the funeral at 2 p.m. Sunday at the temple. Interment will be in Prospect Hill Cemetery. Memorial gifts may be made to the temple building fund or to the York-Adams Boy Scout Council.

Twenty Negroes Injure Policeman

ST. LOUIS (AP)—Patrolman Julius Garcia was injured Friday night when he and another officer were attacked by about 20 Negroes in a rooming house.

Garcia and patrolman Cairl Vaughn answered a call at the rooming house where a roomer had become abusive toward his landlady.

They took the man into custody and were leading him down the stairs when his 17-year-old wife jumped at the policemen and began striking them. Vaughn said he went to summon aid.

When Vaughn returned the Negroes were beating and kicking Garcia.

Other police arrived and quelled the disturbance. Garcia suffered bruises and possible internal injuries.

\$5 Minimum Turns Into \$21,300 Total

ST. PETERSBURG, Fla. (AP)—Police found an elderly woman wandering the streets Friday and took her to a hospital.

"Do you have more than \$5 in your possession?" the admitting clerk asked. "If so, we'll have to put it in the hospital safe."

"Yes, a little," the woman replied.

After an hour of counting, \$21,300 was placed in the safe.

PITTSBURGH (AP)—What's new at the Highland Park Zoo? Well, on Friday city firemen had to remove a fire alarm box which was located six feet outside the elephant cage.

BOY SCOUT JAMBOREE

By JERRY HARTZELL
Boy Scout Jamboree

Sunday, after supper, we had a troop campfire. The highlight of the evening was a surprise visit by a group of dancers from Jordan. They entertained us for several minutes and then moved on to other troops.

Following breakfast Monday morning, we were free to take a shower, go to the trading post, or visit other areas. In the afternoon we participated in the Skill-rama by demonstrating weightlifting. While some of the Scouts took part in this, others visited other parts of the Skill-rama. One of the most unusual exhibits was put on by the Scouts from Texas. A barrel with a saddle on it was suspended above a pool of water by four ropes. When someone got on the barrel, the Texas Scouts pulled the ropes to make the barrel buck. Nobody stayed on more than 10 seconds.

REGIONAL CAMPFIRE

We attended a regional campfire that evening. Among our guests were television stars Lorne Green and Dan Blocker, Gemini astronaut Edward White, and Jim Whittaker, first American to climb Mt. Everest.

Tuesday morning was reserved for the trading post, visiting other areas, and writing letters home. In the afternoon we visited the conservation area. A ranger from Colorado guided us on a tour of the area and its many exhibits. We returned to the campsite, rested, and then left for the obstacle course. We ran through the course in about 20 minutes. As we started back to our campsite, it began to rain, and we ran to avoid being soaked. After supper we were free to trade patches or visit.

WEDNESDAY MORNING

Wednesday morning, some of us hiked the conservation trail. Others wrote letters, went to the trading post, or took showers. After lunch, those who hadn't done so before hiked some of the trails around the area. Others visited other troops, went to the trading post, or swapped patches.

On Thursday the highlight of the day was listening to the President of the United States as he addressed all the Scouts. Afterward we began to start packing to get ready to go home.

FREE SOCIETY

Johnson put it this way: "I do not believe that any issue which is before the people can be eliminated from the campaign in a free society in an election year." He said it is the purpose of elections to discuss the issues.

After spelling out his stand, Johnson declared "to the extent that Sen. Goldwater differs from these views, or the Republican party differs, there will, of course, be discussion."

"I intend to carry on some of it if I am a candidate," he said.

TWO FREED IN FATAL BEATING

YORK, Pa. (AP)—Charges of murder and manslaughter have been dismissed against two York County residents arrested in connection with the fatal beating of an elderly woman shopkeeper.

York County court sustained a habeas corpus petition Friday filed on behalf of Mary Tyler age unavailable, and Samuel E. Maxfield, 22, both of York.

Attorneys argued at a hearing Thursday that authorities failed to produce sufficient evidence at a preliminary hearing for the pair in June.

Miss Tyler's 18-year-old sister, Norma Jean, still faces grand jury action on the charges. The trio was arrested in connection with the death of Ida Myers, 74, who died May 19, five months after being severely beaten at her shop here.

Truck Of Dynamite Avoids Explosion

REYNOLDSVILLE, Pa. (AP)—A dynamite-laden truck veered from a highway and hit two trees near this Jefferson County town Friday to avoid hitting six stopped autos, but there was no explosion and no one was injured.

The truck, driven by Thale McGinis, 30, of Sligo R. 3, was on a hill approaching a railroad crossing when McGinis realized he had no brakes. To avoid the vehicles waiting for a passing freight McGinis swerved from the road and crashed into two trees. He received only minor cuts.

The entire acreage must be planted to one variety of corn and fields should contain 14,000 or more stalks per acre. Irrigated fields cannot be entered in the competition which is open to any farmer or farmer operator who is 21 or older by August 1. Two classes will be held, a hand harvest class and a machine harvest class.

TEN YEARS AGO
Bender Opens New Gift And Greeting Card Shop Here: The formal opening of a Gift and Greeting Card Shop at 16 Baltimore St., Thursday, Friday and Saturday, was announced this morning by Charles B. Bender, proprietor.

The attractive, pine-paneled addition to Bender's Cut Rate Store containing a display of some 900 Hallmark cards will enlarge the double-store operating area to approximately 1,000 square feet.

Employees at the cut-rate and gift shop are: Nina Wolf, E. Middle St.; Mrs. Letha Kepner, Baltimore St.; Mrs. Bernice Staley, W. Broadway; and Nancy Bender, E. Broadway.

The building which houses the Bender business establishment was erected in 1872 and was purchased by the present owner in 1941 — although he has been operating the Cut-Rate Store since 1931. Bender said he operated his original business for 15 years in the redecorated gift section.

Present Two Bantams To Eisenhower Farm: "Ike" and "Mamie," two black Cochins Bantam chickens have been given to the Eisenhower farm here by Mrs. Conrad L. Raab, Gettysburg R. 3.

The presentation was revealed in an exchange of letters between Mrs. Raab and Mrs. Eisenhower. Mrs. Raab presented a cockerel and hen from among their best black Cochins to the Eisenhower farm and received a letter from Mrs. Eisenhower's secretary, Mary Jane McCaffrey, stating that the wife of the president "is most appreciative of the interest you have shown in their farm near you. Mrs. Eisenhower has asked me to send you her warm thanks for your neighborly letter and her best wishes."

The Cochins have won a number of prizes in poultry shows throughout the state.

Martin Will Re-open Store: Martin's Shoe Store will re-open for business Friday at 22 Baltimore St., in the former Redding Supply Store room almost directly across Baltimore St. from the site of Mr. Martin's store that closed last February 15 to make way for expansion of the G. C. Murphy Company store.

The storeroom has been completely re-decorated, floors re-finished and fluorescent lighting installed. There is an office and storage space at the rear of the room. The proprietor, George R. Martin, said he is starting with an entire new stock of shoes in selections for fall styles. He continues to handle Trim Treds for women, Rand for men, Star Brand work shoes and Pol-Parrot shoes for children.

Mr. Martin started in the shoe business in 1917 with Mahlon Haines and managed the Haines shoe store here until 1940 when he opened his own store in the first block of Baltimore St. He now has been in the shoe business for 34 years in the same block of Gettysburg's business section.

On Friday and Saturday, there will be balloons for children at the store and a "Howdy Doodie" hobby horse for children to ride in the store.

Tuning Up Bike Of Gay Nineties: A relic of the "gay nineties" in Gettysburg, the days when bicycle clubs were popular and the two-wheelers traveled town streets and battlefield avenues by the hundreds, turned up this week for repairs at George A. "Pop" Hughes' re-

LUCKY, AFTER ALL

Socrates once asked if all the men in the world should come together and pool their aches and pains, their sorrows, misfortunes, adversities, diseases, wants, sedvitudes and grievances of mind and body, and share alike, each taking his portion, would any man accept such a plan?

The answer is obvious. No one would consent. Each man would think that he was fairly well off, after all!

When one sees a blind man with almost a set smile upon his face, or a cripple hobbling his way across a street, or some bearing with all fortitude whatever each day may bring forth then one says I am lucky, after all — no matter what my worry or problem.

Our only importance lies in our daily fortitude and in our useful industry.

We are lucky if we have learned to think for ourselves, and to express an opinion — and stick to it until convinced that it is wrong. The most abject slave is that one who will borrow, or steal, the industry of another.

Unemployment is stated as the greatest problem in the happiness of a nation. In this connection, there is an underlying problem, more important than the general problem — that of instilling into the minds of those who will not work, or do not want to work, the desire to work. The unfortunate phase of the unemployment problem is to take care of those who really want to work, who are too proud to ask for relief.

Lucky is that one able to take care of his own employment problems! Any nation can go far with such.

Lucky, also, is that one who has the ability to appreciate and to lend encouragement to others less fortunate than himself. And ten times lucky is that one able to see in all the turns of fate, the hand of the invisible God, guiding and directing like a set star in the heavens, his course upon this earth.

THE HUMBLE ROADS

So many things the eye can meet Upon the little casual street. The humble houses look as though The best and worst of life they know But seem contented night and day That round about them children play.

A fluttering crepe upon the door Betokens one who'll smile no more And plainly tells the passerby The old, old truth that all must die. And ever when such signs I see I think of those long lost to me.

The window boxes bare today Were once with red geraniums gay. A touch of beauty to express The tenant's dream of loveliness And many a gleaming beacon light We come the husband home at night.

Upon the little streets I see All that has happened unto me, A woman with a troubled face Welcomes a doctor, with his case, While just next door, with rake and spade A tulip bed is being made.

All joys and cares of good and ill These little side street houses fill. Mansion and palace can't escape That solemn bit of fluttering crepe. Great houses or humble, life appears The self-same blend of smiles and tears. Protected, 1964, by The George Matthews Adams Service

A model 40 Columbia bicycle with 23-inch, wooden-rimmed wheels, no brakes, a six-inch large sprocket wheel with only 19 teeth as compared with the 26 that are now standard, the old timer is in for a new drive chain and a general tuning up. Its frame of steel tubing brings its total weight to only 21 pounds. Triangular and oblong leather tool pouches swing from the horizontal frame bar and curved handle bars have cork grips.

The old bike, formerly the property of Frank Deatrick, Baltimore St., funeral director, now belongs to Jere Taughnbaugh, 16-year-old son of County Commissioner and Mrs. G. Ed Taughnbaugh, Hunterstown. "Pop" Hughes says there is no date on the bike but it is likely 50 or 60 years old and probably was made in the 90's when bicycles were very popular.

CHURCHWOMEN HOLD MEETING

Miss Gloria Ginter and Mrs. Charles Ginter were leaders at the July meeting of the Lutheran Church Women of St. Luke's Church, near White Hall, held on Wednesday evening at the church. The program theme was "We Confess Our Faith."

The devotional included the Scripture and prayer, Miss Ginter; creed in unison; hymn, accompanied by Mrs. Larry Crouse; vocal solo, Miss Joan Ginter, with her sister, Gloria, as pianist; group hymn; the Augsburg Confession was explained by the Rev. Mark A. Heiney, pastor, which revealed very few changes in the beliefs of Lutherans during the past years, and hymn.

The business period was in charge of Mrs. Grant E. Appler, president. It was decided to visit the guests at the Adams County Home in October.

The society will sponsor a special worship service on Sunday, September 12, 10:30 a.m., when the guests speaker will be the Rev. Mr. Fiel. Following the service, which will replace the thank offering service, there will be a luncheon for members and families. A workshop will be held in Christ Lutheran Church, Gettysburg, on Thursday, August 30. Those planning to attend should notify Mrs. Appler by August 17. The session closed with the missionary benediction in unison. Refreshments were served by Mrs. Ginter and Gloria.

Mrs. Rodney Harner and Mrs. Garland Leatherman were appointed to be leaders at the next meeting on Wednesday, August 26, at 8 p.m. at the church.

Bob Britcher Captures Elks 1964 Jr. Golf Championship

Robert "Bob" Britcher, son of Mr. and Mrs. Jacob Britcher, Baltimore St., added one more championship to his fast growing collection as he carried off the Gettysburg Elks Lodge's 1964 Junior Golf Championship Friday over the Gettysburg Country Club course.

Britcher outdistanced a field of 17 young linksmen by firing a 37-76 over the 18-hole, par 70 layout. Bob "Bo" Davies, son of Mr. and Mrs. Robert Davies, Country Club Lane, finished second with an 84 and Marvin Simpson came in third with an 89.

Britcher, who competed in the state Junior Chamber of Commerce tournament in Greensburg two weeks ago, said Friday's round was a complete opposite of the JC tournament. Britcher said, "My putting was much more effective. In Greensburg, my putting was way off and consequently I finished with a 36-hole total of 84-83-167. Two of his putts in Friday's round landed from 25 and 20 feet out respectively and both came on the second and eleventh holes.

ANOTHER ASSET

Another asset in Britcher's favor was the fact that he was able to remain consistent on his drives, fairway shots and especially on the approaches. Britcher's only bad hole was the 14th. He drove out-of-bounds and ended with a three-over-par seven. Only twice during the tournament was the young golfer in the sand traps and both times came out in excellent shape.

Davies went out in a blistering four-over-par 39, but came home with a 45 for his total of 84. Both Britcher and Davies will represent the local Elks Lodge in the Elks' State tournament at Latrobe. The state affair will draw a field of approximately 100 young linksmen. The Gettysburg pair will leave Sunday morning, August 2, and play a practice round over the Latrobe Elks Club's course where the tournament will be staged.

BOWLS 2,668 TO TAKE LEAD

PITTSBURGH, (AP)—Steve Nowicki of Rochester, N.Y., bowled a 12 game total of 2,668 Friday to take the lead in the Professional Bowlers Association Greater Pittsburgh Open.

Nowicki, in topping the field of 120, bowled the tournament's highest six game block, 1,388. Following Nowicki were Mike Limongello of Babylon, N.Y., 2,632; Glenn Allison of Los Angeles, 2,599; Buzz Fazio of Detroit; 2,577; Jim St. John of San Jose, Calif., 2,549; Jerry Hale of Richmond, Calif., 2,548; Billy Hardwick of San Mateo, Calif., 2,530; Ray Bluth of St. Louis, 2,527; Bill Allen of Orlando, Fla., 2,526; and Les Barrett of San Mateo, Calif., 2,525.

The field will bowl 12 more qualifying rounds Saturday. The finals in the \$23,500 tournament will be held Sunday.

Monday and Tuesday, August 3 and 4, will be devoted to the 36-hole championship play. All golfers taking part are under 18 years of age.

MORE CONFIDENCE

Asked if he plans to make any changes in his style for this tournament, Britcher said, "The only thing which will change will be my confidence. Two weeks ago I wasn't sure of myself. It was the first big tournament I had entered. This time I will have much more confidence and play better, more relaxed game when I'm sure of my moves."

Friday's tourney was open to all Adams County youths, both boys and girls, under 18. The field of 17 at the country club consisted of 16 boys and one girl, Miss Karen Zentz. Asked if this were the first tournament she had entered since taking up the game, she said it was, but that she did not know she was going to be the only girl. Karen fired a 55-108 to tie for tenth place. Karen started playing golf three years ago when she stumbled through nine holes in the high 80's and wouldn't think of going 18 holes. Today she cards a consistent 100-110 for 18 and her best nine-hole score to date has been a 49.

FOUR PROJECTS

William Williams, the local Elks' youth committee chairman, was on hand to record the scores of the golfers as they finished their rounds. Also on hand was William Kuhn, state Elks youth committee chairman. Kuhn will be in Latrobe for the state tourney. He said this is one of four state youth projects sponsored by the Elks throughout the year. He stated that Pennsylvania Elks Lodges spend approximately \$14,000 yearly for youth programs.

ORIOLES WIN TWIN BILL TO REGAIN LEAD

By MURRAY CHASS
Associated Press Sports Writer
Wally Bunker, 19, and Dave Vineyard, 23, rookie members of the Baltimore pitching staff, hurled the Orioles back into first place in the American League Friday night with 2-1 and 7-2 victories over Washington.

Bunker pitched a five-hitter in the opener, increasing his record to 11-2 and reducing his earned run average to 2.85. Vineyard bottled up the Senators with an even better performance in the second game. Two doubles in the seventh were the only hits he allowed in his second major league start.

Vineyard and Bunker were not alone in their youthful achievements Friday.

TRIBE BEATS SOX
Luis Tiant, another 23-year-old rookie, pitched a six-hitter for his second victory without a defeat as Cleveland whipped Boston 6-1. Bridegroom Bob Chance, 24 and a rookie, drove in four Indian runs.

Then there was 24-year-old rookie John O'Donoghue who stopped Los Angeles 1-0 on six hits.

In other AL games, New York defeated Detroit 6-3 after losing 10-5 and Minnesota stopped an eight-game losing streak with a 6-3 triumph over Chicago.

ONE GAME LEAD

The Orioles moved one game ahead of the Yankees in the pennant race. Bob Johnson's double in the ninth gave Baltimore the first-game victory. Johnson, batting for Bunker, got his 13th hit in 23 pinch hitting appearances.

Vineyard, now 1-1, walked two Senators in the first inning, then retired 16 men in a row before walking Chuck Hinton, who led off the seventh. Mike Brumley and Don Lock followed with consecutive doubles for Washington's runs.

Luis Aparicio, Boog Powell and Sam Bowens homered for the Orioles while Jerry Adair lashed a two-run single.

SEVENTH WIN

Tiant, who shut out New York on four hits in his first major league game last Sunday, gave up only a homer to Felix Mantilla. Chance, who was married earlier in the day, belted two-run singles in the fourth and in the seventh.

O'Donoghue recorded his seventh victory in 13 decisions while gaining his first major league shutout. Ed Charles' infield single and a triple by Chuck Shoemaker accounted for the game's only run in the third inning.

The Yankees dropped out of first place with their first-game loss. They led 5-2 until the eighth when the Tigers erupted for eight runs. Al Kaline slammed a two-run homer while Don Wert, Don Demeter and Bill Freehan contributed two-run singles.

3-RUN HOMER

Elston Howard's three-run homer in the sixth inning of the nightcap salvaged a split for New York. Kaline hit another two-run homer, his fourth blast in as many games.

Home runs by Bob Allison, Zoilo Versalles and Frank Kostro helped the Twins halt their losing streak. Jim (Mudcat) Grant, 8-6, scattered six hits for Minnesota. Chicago starter Juan Pizarro, 13-5, homered in the second.

Gettysburg Little League

Seven runs in the top of the sixth inning gave the Rotary a thrilling 10-7 win over the Moose. Friday evening and threw the entire first division into what could turn out to be a three-way tie for first place. The Rotary, Moose and Lions all have five losses, but the Rotary now has won nine games while the Moose and Lions have eight victories to their credit.

Friday's battle was marked with thrills from start to finish, not so much in playing ability, but from the standpoint of who was going to take a chance and dive for a line drive, probably missing, or attempting to romp home on some close throwing plays and stealing the lead.

The Rotary scored three times in the first, but two innings later the Moose knotted the count at 3-3. The Moose tallied a run in the fourth to move ahead by one and then in the fifth it looked as if the game was decided when the Moose crossed the plate three times to take a 7-3 lead. Then the final frame came around and the earth opened. After the dust cleared and the Moose came from their defensive positions, the Rotary scored seven times on Dave McDermitt's double to left, singles by Ron Bigham, Ron Kuykendall and Jim Flynn, three walks, and two big errors.

Dave McDermitt was the big gun in the winner's attack as he pounded out a perfect three for three including two doubles. Jim Flynn, who tossed the distance for the win, allowed but six scattered safeties. Dave Naugle and Carl Swinn shared the pitching for the Moose with Naugle receiving his first loss in three decisions.

Due to next week's Adams County playoffs, the entire schedule has been postponed and games will be played when possible. On Tuesday the Rotary will play the Glenn L. Bream team and on Thursday the Gettysburg National Bank will tangle with the Lions.

START WORK ON TRACK AND NEW STADIUM HERE

Initial site preparations began today for Gettysburg College's new Musselman Stadium and track to be erected on the former Gitlin and Essex Wire Co. properties at the end of W. Lincoln Ave., according to college authorities.

Mervin Grim, field supervisor for the Hanover Construction Co. awarded the contract for preparation of the site last week, estimated several weeks will be required to clear and strip the major portion of the 45 acres to be improved.

Excavation and fill, drain tiles, six inches of crushed stone base, curbing and sodding of the area for the track, bordering the football playing field, are provided in the contract.

Lowering of gas and water facilities is presently being completed in accordance with the proposed landscaping of the entire area. Plans for the eventual beautification of the lake call for resloping of a major portion of its perimeter.

Depending on weather conditions, Grim expects to complete the site preparations by early October.

Big Little Baseball League

The no-hit pitching of John Heiser guided the Kiwanis to their final victory of the season as they turned back the Eagles 4-1, Friday evening.

Heiser almost tossed seven innings of perfect ball, but a walk and an error marred his performance. Ron Redding got on via an infield error in the first frame, stole second, went to third on a ground ball and romped home on a sacrifice fly for the Eagles' only score. During the exhibition, Heiser fanned six batters.

Dave Stauber pitched good ball for the Eagles allowing four runs on only three hits, but needed help from Mike Varian in the seventh. Ed Toddes paced the winners with a pair of hits including a long home run.

The league will close its regular season this afternoon at 2 p.m. when Phillips 66 and the American Legion clash in a make-up game.

Littlestown Little League

The last place Cardinals pulled a surprise by edging the league-leading Yankees 4-1 Friday evening behind the fine pitching of Ed Klunk. The surprising factor was that the winners played with but eight men.

Klunk tossed the six frames allowing but one hit, a single by Bob Strausbaugh in the fifth. He also struck out seven and walked two. Only five men reached base for the Yankees throughout the contest.

The Cardinals tallied a run in the third and added three more in the fifth on a single by Gary Myers and doubles by Dick Klunk and Barry Myers and a two-base error.

The loss drops the Yankees to second place while the win moves the Cardinals closer to fourth place.

SP Makeup Game At Littlestown

Arendtsville and Littlestown will play a makeup game in the South Penn Baseball League tonight at 8 p.m. on Littlestown's Memorial Field. The contest was originally scheduled for Sunday afternoon, but, due to the contest between the South Penn All-Stars and the Susquehanna All-Stars, the game had to be postponed.

It was also announced that the Littlestown team will play an exhibition game with the Hanover American Legion team on Memorial Field, Tuesday evening starting at 8 o'clock.

Optimist Boys' League

The fine pitching and batting of Dave Lovett paced the Warriors to a well played 2-0 win over the league leading Bullets Friday evening.

Lovett fired the seven frames allowing but four hits. The Bullets threatened to crack the scoring column in the second frame when they loaded the bases, but Lovett buckled down and got out of the jam.

Lovett accounted for both Warrior runs. He lashed a single to left in the fourth frame and came all the way around on singles by Larry Holmes and Mike Wolcott. The outstanding blow was Lovett's tremendous homerun in the sixth which accounted for the second score.

Dick Frock paced the Bullets' attack with a pair of singles for three at bats.

PAIR SURVIVES IN BITTER COLD OF ISKUT RIVER

PRINCE RUPERT, B.C. (AP)—Robert Gilroy and Max Portz feared certain death if they struck out in the glacier-fed waters of the Iskut River, so they huddled, drenched and bitterly cold, for eight days on the floats of their overturned aircraft.

They told about it Thursday following their rescue. Gilroy spoke by telephone from Terrace, 70 miles inland from the north coast city and 200 miles south of the spot where their plane hit the river July 14.

HIT MUD BANK

The two prospectors were returning to their campsite at the junction of the Iskut and Ihini rivers. They tried for a landing close to the site, trying to avoid the risk of taxiing around snags.

"We hit a mud bank," Gilroy said.

The plane floated downstream for a mile and a half and stopped upside down on a sand bar. Gilroy, 39, and Portz, 48, clambered onto the floats and there they remained through almost continuous rain for eight days.

They had nothing to eat. The Iskut was about three-quarters of a mile wide, its water close to 30 degrees.

"It would have meant death in two minutes if we had tried to strike out for shore," Gilroy said.

"We counted as many as 14 planes flying over. That was the worst part of it."

A search was sparked Tuesday after Terrace pilot Doug Chappel flew supplies into their camp, found it deserted and noted the last entry in their diary was July 14.

They were spotted Wednesday, picked up and flown to Terrace by way of a mining camp and Stewart, B.C.

159th Yank Killed In S. Viet Nam

SAIGON, Viet Nam (AP)—The Communists pulled off their fourth ambush of the week in South Viet Nam Thursday night, killing an American Special Forces enlisted man and wounding a U.S. officer.

An American spokesman said Vietnamese casualties were believed high in the attack in the central highlands near Ban Me Thuot.

The Special Forces man was the 159th American killed in combat in South Viet Nam since December 1961.

The Americans were with a strike force of Montagnards—mountain tribesmen—moving from Ban Me Thuot to the forward base of Buon Brieng when they were ambushed.

A Lovelier You

By MARY SUE MILLER

CARE OF PIN-ON HAIR. A good wig or wiglet can provide a means to instant glamour. But, to deliver, it must be perfectly groomed. The unkempt hair piece actually looks less attractive than a unkempt head of hair. It plays a lovely false two ways.

To enhance the appearance, wigs and wiglets require careful attention. Both need to be aired and brushed after each wearing. A soft brush, made for the purpose is a wise investment. When the hair looks dry or dull, a special conditioner should be applied and brushed through.

Setting and cleansing are in order before the need ever becomes apparent. The proper set is done on rollers, sized to the desired styling. Prior to rolling, the hair is slightly dampened but not so as to wet the foundation.

For cleansing wigs, there are two processes. Synthetic wigs must be washed. Wigs of human hair must be dry cleaned at a salon specializing in the service. For wiglets, excellent cleansing fluids to be used at home are available. Between wearings, wigs must be placed on a block and stored in a box. Small pieces may be boxed or lightly wrapped in tissue.

Proper treatments prolongs the life of all for many years. And since those of fine quality are not inexpensive, careless treatment would seem a "pound foolish." The look, meanwhile, would not seem worth the expenditure.

BLAME FAULTY TIRES IN CRASH OF TNT TRUCK

STROUDSBURG, Pa. (AP)—An Interstate Commerce Commission inspector has testified the trailer which blew up killing six persons at nearby Marshalls Creek June 26 was equipped with used recap tires and used tubes.

The ICC opened its second day of hearings Friday into the blast which rocked this Pocono Mountain resort area, causing property damage estimated at close to a million dollars.

Three firemen arriving at the scene to extinguish a fire on the trailer were among the six victims. Hundreds of snakes from a nearby reptile farm were released by the explosion of the trailer truck, which carried dynamite and an explosive chemical.

The ICC inspector testified Thursday that the trailer, hauling 15 tons of explosives, was a 1944 model equipped with used tires and tubes.

FIRM ORDERED TIRES

Alan Roberts said records of the American Cyanamid Co., which owned the truck, indicated two recapped tires were ordered for the trailer. He added that the man who sold the tires to the company told him they were used but "in excellent shape."

At the time of the explosion, state police said the driver, Albert Koda, 51, of Port Carbon, Pa., had unhooked the trailer and gone for help when he had a flat tire trouble. Police said that before he got back, the tires caught fire and the truck exploded.

One of the firemen who survived the explosion, Richard McDonough, testified that when he arrived at the scene, the two rear tires were on fire and flames extended up the side and over the top of the trailer.

McDonough said that there were no signs, no flares, reflectors or other danger signals along the road.

SCHWEIKER TO BACK SENATOR

WASHINGTON (AP)—Rep. Richard S. Schweiker, R-Pa., said today he will support the national Republican ticket in November at the request of Gov. William W. Scranton of Pennsylvania.

Schweiker, an early supporter of Scranton for the GOP presidential nomination, cited Scranton's request for party unity during the GOP convention last week in adopting his position.

Schweiker, who served as chairman of the Scranton-for-President club of Pennsylvania, expressed disappointment that the moderate cause espoused by Scranton at the convention did not prevail. But he said he will continue to be among the Pennsylvania governor's staunchest supporters.

Some Republicans, including Sens. Jacob K. Javits and Kenneth B. Keating of New York, have said they cannot support the national ticket at this time.

HARRISBURG (AP)—Retail milk prices are going up in the 13-county Pittsburgh milk market, starting Aug. 1.

The state Milk Control Commission ordered the increase Friday, adding a penny to single-quart prices for both home-delivered and store-purchased milk compared to current prices.

Jailed Youth Asks A Separate Trial

LANCASTER, Pa. (AP)—James E. Szulcowski, 21, one of three Milwaukee men arrested in the shooting of two state policemen on the Pennsylvania Turnpike June 14, has asked Lancaster County Court for a change in venue and a separate trial.

President Judge Joseph B. Wissler said he will hear arguments on the petition during the September term. The cases had been listed for trial in September.

In his petition Friday, Szulcowski alleged "undue excitement existed and continues to exist throughout Lancaster County because the public mind has been aroused and influenced by newspaper articles and reports of said alleged crimes."

DEATH TOLL IS 19 IN RIOTS IN SINGAPORE

By TONY ESCODA

SINGAPORE (AP)—Chinese and Malays fought for the fourth day in Singapore Friday, raising the death toll to 19. But police said the racial clashes were getting smaller and less frequent.

More than a dozen new incidents occurred during the daily morning break in the curfew to permit food purchases. Police and troops quickly restored order and herded stragglers off the streets at gunpoint.

Another curfew break was scheduled for the afternoon. Many office workers went to their jobs during the morning break.

A government spokesman said the same curfew schedule would remain in force Saturday but the situation is reviewed each afternoon.

Official casualty figures showed 197 injured since the riots began, but the unofficial count placed the injured at close to 400.

More than 1,400 persons, mostly curfew violators, have been arrested by the 7,000 police and combat troops trying to check the riots on the island.

SMALLER GROUPS

A federal police spokesman said the government was encouraged because smaller groups were involved in this morning's fighting.

Because of the explosive situation, Malays were advised to observe the Moslem sabbath at home Friday instead of going to porray arrangements to restore order.

Lee Kuan Yew, state premier of Singapore who is of Chinese descent, blamed the riots on Malay extremists. He warned that if the racial situation got out of hand, it could endanger the Malaysian Federation.

Malaysian Prime Minister Tunku Abdul Rahman has charged that the riots were fomented by Indonesia as part of its campaign to smash the federation.

Rahman, who is in Washington seeking U.S. support for his country's struggle against Indonesian, said the riots might force him to cut short his trip.

Indonesia's state radio said imperialism and colonialism are to blame for the racial clashes.

Crushed To Death By Falling Tree

LOCK HAVEN, Pa. (AP)—Eugene Ransdorf, 62, Renovo Star, was injured fatally Thursday while felling trees in the Cleveland Hollow Area near Hyner State Park, north of Lock Haven.

Investigators said Ransdorf, a retired Pennsylvania Railroad locomotive engineer, was engaged with his son in cutting timber.

The son, James, had gone to Emporium to deliver a load of logs. When he returned about 5 p.m. he found the older man's body.

Clinton County Coroner Roy Bryerton said a tree Ransdorf was cutting apparently fell the wrong way and crushed him.

Black Bear Moves Near N. Y. City

NEW CITY, N.Y. (AP)—A black bear has moved into a field in this commuters' suburb 25 miles from New York City.

"At first I was absolutely terrified," said Mrs. Harry Steinger, whose home is on the edge of the field. "But how long can you be absolutely terrified?"

The bear was first seen Wednesday night. Apartments and houses border three sides of the field. The fourth is open to the woods.

Police said they can't do anything unless the bear becomes a menace. Game wardens plan to try to trap the beast.

U. S. battle deaths totaled 385 in the Spanish-American War.

DEMS WARNED TO BEWARE OF FANATICAL GOP

HARRISBURG (AP)—Former Gov. David L. Lawrence has warned Pennsylvania Democrats not to "underestimate the determination and will" of supporters of Republican presidential candidate Barry Goldwater.

"They have a fervor and zeal which is close to fanatical, and they will fight hard and they will fight to win," Lawrence declared Friday in a stern lecture to Democratic candidates for Congress and the legislature.

The remarks came in a one-day seminar for candidates and other party officials on campaign techniques and strategy for the November elections.

In a hard-hitting address reviewing Goldwater's nomination at the Republican presidential convention last week, Lawrence stated:

"IRON DISCIPLINE"

"It was unlike any convention I can ever remember. The iron discipline of the majority was both impressive and frightening. In domestic affairs, they openly courted the bigot and the dissident. In foreign policy, they did not settle for mere sabre-rattling, but provided the fearful suspicion that they might want to push the button that would explode the world into holocaust."

Lawrence, Democratic governor from 1959 to 1963 and chairman of Pennsylvania's delegation to the Democratic national convention in Atlantic City next month, said the party "must not be lulled into inactivity and apathy by the public opinion polls" which currently show President Johnson ahead of Goldwater.

BACKFILLING IS GOING WELL

HARRISBURG (AP)—State mines secretary, said Friday that land restoration projects under the state's tougher bituminous strip mine backfilling law have been "very good."

Charmbury reported on an inspection tour of 10 western Pennsylvania counties by the land reclamation board last Monday and Tuesday.

The purpose of the tour was to determine how strip mine operators were complying with the amendments approved by the 1963 legislature.

Of the 22 projects completed since the law became effective, Dr. Charmbury said, the board rated 13 as "extremely good," six satisfactory and three fair.

"These companies deserve public commendation for their excellent work," Charmbury said. He said the cost of the restoration ranged from \$300 to \$1,122 per acre and from 3 1/2 to 15 cents per tons of coal mined. Operators received an average of \$3.30 to \$3.75 for run-of-mine coal.

Today is Saturday, July 25, the 207th day of 1964. There are 159 days left in the year.

Today's highlight in history: On this date in 1944, allied armies, stalled on the Normandy beaches for almost two months, moved inland under a cover of allied fighters and bombers.

They advanced near St. Lo, and the next day broke through the German lines.

On this date: In 1759, Fort Niagara surrendered to the British during the French and Indian War.

In 1868, Wyoming Territory was organized out of parts of what now are the states of Utah, the Dakotas and Idaho.

In 1902, heavyweight champion James J. Jeffries knocked out Bob Fitzsimmons in the eighth round.

In 1908, Johnnie Hayes won the marathon at the London Olympic Games—the first to establish American athletic reputation in international competition.

In 1952, Puerto Rico became a United States commonwealth. Ten years ago—the Western big three powers were considering a new Soviet proposal for a conference on collective security.

Five years ago—Vice President Richard Nixon toured the Moscow farm and industrial exposition, where he underwent what Westerners said was planned heckling.

One year ago—The United States, Britain and Russia initiated a treaty prohibiting nuclear testing in the atmosphere, outer space and under water.

LONDON (AP)—Actor Peter Sellers and his bride of seven months, Britt Ekland, are expecting a baby, says the Daily Express.

The newspaper said the baby is due next January.

Sellers, 38, still is recuperating from a heart attack he suffered in Hollywood last February, six weeks after he married Miss Ekland, 21-year-old Swedish actress.

LBJ DEFENDS GOVERNMENT AT JAMBOREE

VALLEY FORGE, Pa. (AP)—President Johnson told 52,000 cheering Boy Scouts at Valley Forge that the U.S. government "exists to protect the freedom and enlarge the opportunities of every citizen" and thus should "not be feared or attacked."

The government, he said Thursday night, "is to be helped as long as it serves the country well, and changed when it neglects its duty."

Although Johnson did not mention Sen. Barry Goldwater, the Republican presidential candidate, by name, it appeared he was taking this opportunity to renew his defense of the government against Goldwater's criticism.

PLANE PULLS BANNER

The Arizona senator frequently has charged that the federal government has grown too large and too centralized.

Overhead, a small plane, faintly outlined by the moon, pulled a banner that read "Goldwater '64." Johnson gave no indication that he saw it.

The President received a tumultuous reception when he arrived to help the scouts close their sixth national jamboree and receive their Silver Buffalo award for "distinguished service to boyhood."

SCOUT KILLED

Shortly before Johnson spoke, Jay T. Leekley, 15-year-old life scout from Appleton, Wis., was killed by a bus when he darted out behind a parked car. He apparently was running to catch up with his troop marching to the giant arena.

Heart attacks earlier this week killed two assistant Scoutmasters.

Friday, 42,000 Scouts left for home by bus, train, plane and auto. Today, the rest break camp and the city of 30,000 tents will be no more.

Scranton Named To 2 Committees

CARSON CITY, Nev. (AP)—Gov. William W. Scranton of Pennsylvania has been appointed to two committees by Gov. Grant Sawyer of Nevada, chairman of the National Governors' Conference.

The Pennsylvania governor was named to the advisory committee to the executive committee on the National Guard. He was also appointed to the election laws and communications media operations committee. The appointments were made Friday.

Tractors Are Dangerous, Agent Reminds Operators In Listing Common Hazards

THOMAS E. PIPER
Adams County Farm Agent

As we end the observance of Farm Safety Week, young tractor operators should be reminded again and again that they are driving a dangerous piece of equipment.

Here are some leading tractor hazards with tips for avoiding them.

Usually, the slower you drive the safer you are because tractors are designed for power, not speed.

Watch cautiously: humps or ditches can flip tractors over or throw drivers off.

Don't drive on public highways except when absolutely necessary, and if possible, pick a time when traffic is light.

Avoid taking chances on slopes that are too steep.

Climb steep grades in reverse to avoid flipping the machine over backward. Keep the machine in gear while going down grade, but don't try to handle heavy loads.

Pull only from the drawbar. Hitching to the axle or seat bracket can pull a tractor over backward.

When pulling extra heavy loads, add front end weights to keep the tractor in balance.

Here's the final suggestion: If you get stuck in a ditch or deep mudhole get help to be towed out.

BEEF PRICE WIDENS

The farm price for beef cattle has dropped significantly during the last year and a half. Many feel that the retail price of beef has not come down accordingly.

The truth is that the spread between cattle prices and retail beef prices is wider now than it was 10 years ago.

For instance, the farmer's share of the consumer's food dollar for beef was 75 per cent in 1951 but declined to 56 per cent in 1963.

It costs more for the retailer to market beef today. More beef cuts are prepackaged today than in 1954. Today beef is trimmed more closely and more it is sold as boneless cuts. Wage rates are higher now and equipment is more expensive than 10

years ago. Packers and retailers, however, are more efficient than they were in the 1950's.

The farm-retail spread for beef has increased faster since 1959 than the spreads for other meats. The increase in the farm-retail spread has been 12 cents per retail pound of beef from 1954 to 1963. The retailer has accounted for three-fourths of this increase.

Even though the farmers' share of the consumer's beef dollar has declined from 75 per cent in 1951 to 56 per cent in 1963, there is no criterion for measuring the profitability of individual beef farms.

COMFORT

Natural shade causes an air conditioning effect on the out-of-doors.

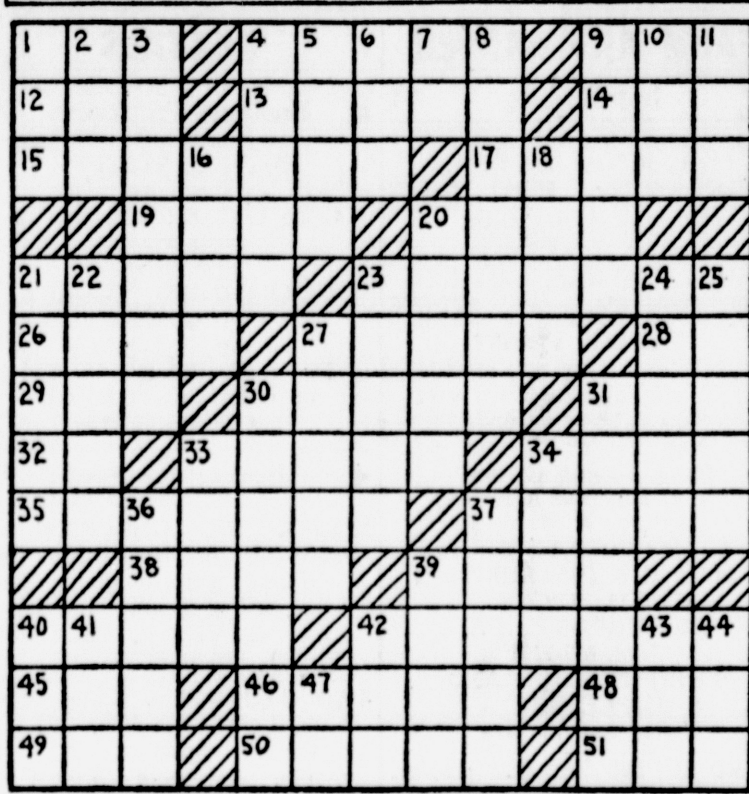

During July, August and September, the average homeowner can appreciate shade around his home. A lovely shade tree can mean comfort as well as shade.

A shade tree should be located on the west side of a home at a distance of 20-25 feet to shade west walls and roof as the sun descends in the west during the hottest months. Properly located, these trees cool house walls and the indoors. If you wish to enjoy cooler mornings in bedrooms on the east side of your house, plant a tree on the east side between the morning sun and the house.

Another popular place for a shade tree is where shade will keep the patio cool for outdoor enjoyment. Medium and large sized trees can be located to provide shade where and when you want it during the hottest months. Be sure while planting that you use a container-planted shade tree or those with a ball of earth surrounding the root system. Such trees will usually thrive no matter where they are planted. To have immediate shade, the homeowner should plant a fairly large tree, preferably in the size of 2 1/2-3-inch caliper which gives an average size of about 15-18 feet in height. If you are willing to wait for a shade tree to grow, you can plant a much smaller size.

Always remember to water a tree at the time of planting and at least two-week intervals throughout the dry season. Now is a good time to see your local nurseryman and make a selection while young trees are in full leaf. It can be

Bees Sometimes Swarm — Honeybees often get the urge to swarm at this time of year. If a swarm of bees seems to be moving in permanently on your place, call a nearby beekeeper. He may be able to move the unwanted guests, says W. W. Clarke Jr., extension apiculturist at the Pennsylvania State University.

Get Rid of Moss — Moss on lawns is usually a sign of low fertility, poor drainage, improper watering, too much shade, or a combination of these things. John C. Harner II, extension agronomist at the Pennsylvania State University, suggests removing by hand raking, or by spraying with copper sulfate. Apply at the rate of five ounces of copper sulfate in four gallons of water per 1,000 square feet. After the

moss is removed, correct the cause.

Keep Bugs Away — Humans can be made disagreeable to pesky insects such as black flies, chiggers and other insects. Extension entomologists at the Pennsylvania State University explain that people can now work and eat outdoors, fish, hunt, or just sit in the shade without having to fight off mosquitoes, gnats, and other annoying insects. The newest repellents are quite pleasing to people, but distasteful to pests.

Water Roses — To keep your roses blooming beautifully, Lynn Smith, extension floriculturist at the Pennsylvania State University, suggests regular watering and fertilizing throughout the summer. Sprinkle a handful of 5-10-5 or 5-10-10 fertilizer

around each plant once a month, scratch it into the surface of the soil, and water thoroughly.

An estimated five million Americans suffer from heart diseases.

MAKE FIRST ARRESTS IN RIGHTS LAW

GREENWOOD, Miss. (AP)—The FBI has made its first arrests under the public accommodations sections of the new Civil Rights Act.

Agents of the bureau charged three Greenwood white men with a conspiracy designed to keep a Negro from going to a downtown movie theater.

The three men, Willie Amos Belk, 47, a plumber; his son, Jimmy Allen Belk, 19, and Sam Allen Shafer Jr., 40, a Belk employee, posted \$1,000 bonds before U.S. Commissioner W. O. Luckett at nearby Clarksdale following their arrest Thursday.

FBI CHARGES 3

The FBI charged the three with "unlawfully conspiring to injure, oppress, threaten and intimidate" Silas McGhee, 21, of Greenwood, "in the free exercise of his right to full and equal enjoyment of a motion picture house, the Leflore Theater."

The theater management declined comment.

The FBI gave this report: On July 16, McGhee staggered into the Greenwood FBI office, bleeding from head wounds and suffering from shock.

McGhee, a staff worker with the Student Nonviolent Coordinating Committee, said three men in a pickup truck forced him at the point of a gun to accompany them.

Sophia Loren To Star In Guided Tour Of Rome For TV Program Next Autumn

By RUTH E. THOMPSON

You've never met Sophia Loren, but you've decided to do a television tour of Rome. She's your number one choice as guide. Sort of like what Elizabeth Taylor did last year for London.

So, from your New York office you place a call to Sophia in Rome.

And? And she answers the phone herself.

She does, that is, if you're Phil D'Antoni, who also set up the Elizabeth Taylor London tour.

KEEPS TRYING

Unlike Elizabeth, though, Sophia said "no" ("very graciously, something about another tentative commitment along the same lines, busy schedule.")

But if you're Phil D'Antoni, cheerful 34-year old entrepreneur who was mailroom boy at one network about a dozen years and had zoomed to vice president of another network five years later . . . "no" seems to mean keep trying.

Result: The hour-long film, including a look at the coin-laden Fountain of Trevi "about which Sophia had reservations" got its final editing last week. We won't be seeing it for a while, yet, though.

ABC has made plans to schedule this gem at the height of the fall viewing season, November 12.

MAGIC ALL AROUND

"There is," says Phil summing up, "magic about Sophia Loren so real you can almost touch it. Maybe you never really will know her, but after an hour you feel you do."

But who's the more magic you ask yourself: Sophia whose every eyelash is in the public domain? Or Phil, who'd remind you of a Buddha, if Buddhas smiled more and were firmish instead of fattish.

Glamour, good luck, good business. Where does one end; and the other begin? You listen closely to Phil.

"Well, after Sophia said 'no' I had to go to London on business." (He and Norman Baer now head their own company.)

"Though I still hadn't met

Sophia Loren rests briefly from her TV-tour duty on the Spanish Steps in the heart of Rome. For the time spent, her television take-home purse is said to be greater than her movie salary (which ranges a million dollars and up). The special is being scheduled for November 12 on ABC.

Sophia, I learned through a mutual friend that the right person to contact was the well-known writer Basilio Franchini. She trusts him. She's known him as long as she's known Carlo (her husband, Carlo Ponti). He did the script for

her 'El Cid' and 'Fall of the Roman Empire.' They were working in Madrid that week so I called there.

"No, I hadn't met him either. 'Like Sophia he was courteous but cautious.' Then Phil, a second-generation American of Italian descent, got lucky.

"Franchini's English was excellent . . . but I detected, out of the 50-plus dialects of Italy, something familiar.

"Are you from Sicily?"

"Yes."

"Me too . . . from Messina."

"Messina? Me too."

"Well, not exactly Messina. Milazzo."

"Milazzo! Me too! I've never met anybody else from Milazzo!"

"Well, not exactly from Milazzo. From Santa Lucia really."

"Santa Lucia!!! Incredible. I'm from the very next town. Sant' Agatha!!! Could you come to Madrid tomorrow?"

Phil could.

STARS COMPARED

In addition to luck how does he get such great deals? "I give good deals. We share. Sophia and Elizabeth." Phil went on pleasantly, "to my knowledge are the only stars who get more than a million in salary for films. But they've never made more for the time spent than with our productions. In a sense, each became a partner. They get 50 per cent of the profits. Elizabeth is still collecting from world-wide showings. We're all

happy.

"Our approach is different to Rome, though. The city itself will co-star more with Sophia than London did with Elizabeth."

Franchini did the script, with suggestions from Sophia and Sheldon Reynolds who's been "Europe-oriented since he made his millions on 'Foreign Intrigue'" directed.

Some other D'Antoni comments:

MADE FOUR TRIPS

"I'd made eight trips last year to London setting things up. This year I made only four though Norm stayed there longer. I think it's because we ourselves learned how to cut corners. We made the right police connections right off to get our permits . . . also to keep the crowds from Sophia. Very gracious, she won't turn down an autograph request.

"Sophia really shakes me up. She finished dubbing her latest picture in Italian Saturday night late. Yet she was ready for us, with excellent English, Sunday morning at nine. She's either punctual or early. Incidentally, there's a cute skit with Marcello Mastroianni in which Sophia kids him about his English.

ONE NEW DRESS

"Clothes. Well the Rome Couture group visited me. But it was no use. Sophia is so chic that, except for one new dress, what she already had in her

REPEAT SIEGE

For the documentary "Ganges - The Sacred River" the 1857 Siege of Lucknow will be "reconstructed."

The actual siege caused the abolition of the East India Company and resulted in India's incorporation into the British Empire.

CREDIT ANDY

The "Good Time Singers" credit their popularity entirely to Andy Williams for whom they guested last season. They were actually formed on several days notice by folk singing school teacher Tom Drake.

CAMERA TALK

Electrical modifications, NBO reports, doubled the previous focal length enabling cameramen to get "a portrait-type closeup at a distance of 200 feet, even with poor lighting" with Telephoto lenses.

REPORTER'S LOT

The campaign trail is not all glamour for reporters says NBC Washington correspondent Sander Vanocur. "It's exhausting, it's standing with your baggage in some hotel lobby at six o'clock in the morning. It is no meals, bad coffee and indigestion . . . but when it's over you wouldn't trade the experience for a million dollars."

Elizabeth Montgomery, who will star in the new television series "Samantha," is the daughter of actor-producer Robert Montgomery.

closet was just right.

"Carlo Poiti? Of course he advises her. But since no good producer intrudes on another's set, Norm and I didn't see him then. Met him later, though, and now we've got a deal of our own lined up."

Then he swings back to the Sophia-Rome-ABC opus. Makes you impatient for November.

No, he's sure he's not going to have to rush back for any last minute retakes. "I am telling my wife Italy's a great place for our four kids to visit, though. Why? Well you see Basilio Franchini and I have jointly bought the most beautiful acre and a half of sea coast you can imagine. At Milazzo."

NEW POLITICAL
SHOW ON TV'S
FALL LISTINGS

By JAMES BACON

AP Movie-Television Writer

HOLLYWOOD (AP)—"Slattery's People," a new political series, hits television screens next fall.

And, no mistake about it, it's in the JFK image.

Richard Crenna, the star, even bears a slight resemblance in height and coloring to the late President John F. Kennedy.

"I won't be President, not even a U.S. senator but the scripts strive to perpetuate the JFK image of youthful vigor in politics—to prove that politics is an honorable profession for forward thinking young people," says Crenna.

MYTHICAL STATE

He plays the majority leader of an assembly in a mythical state.

There's a good reason.

"If we tie ourselves up with Washington, or a real state," says Crenna, "then our scripts are limited in scope. This way, we can hit hard—and make no one mad, least of all sensitive sponsors who sell their products in every state and Washington."

Crenna, in person an Ivy League type, used to play Luke on "The Real McCoys." Before that, he was the perennial high school sophomore on the "Our Miss Brooks" show.

CROSBY OWNS IT

Owner of the show is Bing Crosby. CBS-TV is so hot on the show that it is placing it in the 10 p.m., EST, slot Monday nights.

That doesn't make Crosby too happy because the main competition is "Ben Casey" on ABC-TV. Crosby owns that one too.

As Bob Hope told Crenna: "Crosby doesn't pay income taxes. He just calls up the government every year and asks it how much it needs to make up the deficit."

OFFBEAT SLANT

Crenna's mythical state has a metropolitan city, mining, varied industry and agriculture.

"It's practically a mythical country," he says.

Scripts take an offbeat slant toward current issue. One involving civil rights goes after a playboy Negro representative who cries race every time he runs afoul.

"Slattery, that's me," says Crenna, "straighten him out by showing that he is doing the cause of his people harm—and I tell him straight from the hip. No words spared."

Most earthquakes are mild, presenting no danger to man's safety on the earth's surface.

Priest Helps To
Disperse Crowd

BOSTON (AP) — A priest helped disperse a crowd early Friday after a demonstration outside an integrated East Boston housing project.

It was the second straight night that 200 to 300 persons had paraded and chanted against four Negro families living in the Maverick Street project.

One man who allegedly took a swing at a Negro policeman was arrested. Identified as James Hibbard, 22, of East Boston, he was due in court today on a charge of assault and battery.

The crowd, mostly youths, demonstrated for several hours. Shortly after midnight, the Rev. Memie Pitaro of the nearby Holy Redeemer Catholic Church appealed to the crowd and it began to break up.

DOUBLE HONORS

Walter Cronkite received a "Distinguished Alumni Award" from the Ex-Students Association of the University of Texas at the same time another distinguished graduate received hers. She is The First Lady, Mrs. Lyndon B. Johnson.

HAYLEY MILLS,
JUDY GARLAND
AT PALLADIUM

By COLIN FROST

LONDON (AP)—Hayley Mills cast off the pollyanna look Friday and emerged as a long-legged sex bomb that set London's theater world sizzling.

It sizzled, too, for Judy Garland, who cast aside her doctor's orders to make a roaring comeback in her old home at the London Palladium.

It happened at "The Night of 100 Stars," the midnight matinee where British and American show business annually goes crazy for the cause of theater charities.

Gloria Swanson and Merle Oberon were happy to walk on as extras. Rita Moreno hoofed it in the world's most-expensive chorus line.

HAYLEY VANISHES

Hayley was just another chorine, too, until Zsa Zsa Gabor balked at climbing into a conjurer's box and vanishing.

"Darling," she said, "I could never be shut up in a box, ex-

cept with the man I love."

Hayley, 18 now, took over. Filling every inch of a tight, spangled and plumed leotard, she drew a chorus of whistles from the audience as she vanished and reappeared.

Zsa Zsa introduced the Beatles. Harnessed and wired, they soared over the stage singing Mary Martin's hit from "Peter Pan," "I'm Flying."

GARLAND SINGS

Judy's big moment came in the finale.

A few hours earlier she had left a nursing home where she had been resting since Monday. She was booked just to walk on and said her doctor had forbidden her to sing.

The audience yelled for a song. She gave them "Swanee." They sang with her, then cheered their heads off.

Judy sank in a deep curtsy with tears in her eyes.

"Thank you," she said. "I'm home."

It was at the Palladium that she made a big comeback in 1951.

CO-STARRING

Dennis "Chester" Weaver and Harry Morgan will co-star in a new series "Kentucky Jones." Weaver will play the title role.

MRS. STAGG
DIES AT 88

STOCKTON, Calif. (AP) — Mrs. Amos Alonzo Stagg, 88, wife of football's coaching patriarch, died Wednesday.

The spritely woman who helped scout opposing teams in her husband's long coaching career succumbed to acute kidney failure following surgery.

Mrs. Stagg, the former Stella Robertson, was graduated in the first class at the University of Chicago, in 1896, two years after marrying Stagg who was the school's first football coach.

They spent their honeymoon in 1894 chaperoned by the Chicago football squad enroute to the West Coast for two games with Stanford.

The Staggs had three children, a daughter, Ruth, and two sons, Amos Alonzo Jr., and Paul. Since leaving Chicago in 1933 after Stagg reached the mandatory retirement age of 70, the couple lived in a modest cottage in Stockton.

The past few years, Stagg, who will be 102 on Aug. 16, has been confined to a convalescent home.
